ABOUT FIRMST & PARTNERS:

FIRMST (Forum for Interdisciplinary Research in Medical Science & Technology, www.firmst.tech) was launched in August 2020 with the commitment of more than 100 experts as a unique not-for-profit **exclusively English language platform**. The **purpose** of this project is connection of world-class experts, young scientists, and students from all over the world in the field of Medicine & Allied Sciences. Among partners of **FIRMST** are **BAPIO** – The British Association of Physicians of Indian Origin, **EAFO** – The Eurasian Federation of Oncology and various Patient, Medical and Research Organizations globally.

We believe that through **FIRMST** anyone from any corner of the world will be able to get an opportunity to identify the future mentor or collaborator for continuing further education, training, and research programs.
